Find Us

By People Carrier / Coach from HKIA (Hong Kong International Airport)

Once you land in HKIA, there are lots of ways to reach us. By far the easiest and most economical way is by cross boundary people carrier or coach.

Regular services depart daily from the airport between 0700 and 2400. Remember that valid travel documents (Visas) for the China Mainland are required before boarding the coaches.

You'll need to buy a ticket to Dongguan (Changping). There are normally 2 coach services available; people carrier type (which will mean you won't have to get off until your destination) and standard coaches (you'll have to get off at each border control so avoid if you have lots of baggage). Expect to pay about HKD: 220 for the people carrier (often called SKYLIMO) and HKD: 180 for the standard coach. The most popular drop off point in Changping is the Hui Hua Hotel, 5 minutes drive from our office in Changping city center.

By Train (From HK and Mainland China)

Changping Town of Dongguan City is the vital hub of Guangzhou-Hong Kong Railway, Guangzhou-Shenzhen Paramilitary High-speed Railway, Guangzhou-Meizhou-Shantou Railway and Beijing-Hong Kong Railway. Currently, there are about six railway stations in the prefecture of Dongguan, two of which are located in Changping Town, taking the main passenger transportation of Dongguan.

Dongguan Railway Station is located on Shangkeng Street of Changping Town which is to the east of Dongguan City. About 60 trains stop here each day. There are frequent trains to and from Guangzhou, Shenzhen and Kowloon (HK) from here. Dongguan Eastern Station is located at the City Development Area of Maiyuan Village, Changping Town. Beijing, Shanghai, Xian, Hangzhou, Guilin and about 15 other large and mid-size cities of China can be reached from this station.

By Air

At present, there are no direct flights to Dongguan as the city does not have its own airport. However, it is very convenient for visitors flying to, or from, Dongguan through Guangzhou Airport (CAN - 50 kilometers to the north), Shenzhen Airport (SZX - 50 kilometers to south) as well as Hong Kong Airport (HKG) and Zhuhai Airport (ZUH) both of which are about 100 kilometers (about 62 miles) away. All of these airports have shuttle busses or ferries to Dongguan.
